

CSIC Fellowships

The Spanish Scientific Council (*Consejo Superior de Investigaciones Científicas, CSIC*) will provide support to young scientists and scientists from Eastern European countries for attending the Congress. This support, in the form of the so-called “CSIC Fellowships” will consist of:

- The registration fee.
- Accommodation in Hotel Beatriz for three nights, provided on double-occupancy-per-room basis.
- Travel costs based on best-priced tickets.

The grant covers a maximum support of about €550,- for Western European applicants and about €800,- for Eastern European applicants. The money is reimbursed at the meeting. A copy of all receipts is required.

The conditions to be eligible for a CSIC Fellowship are:

- a) To have submitted a communication to the Congress.
- b) To work in a University or Research Institution not occupying a permanent position (Western Europe) or simply to do research work in a Public University or Research Institution (Eastern Europe).

Applicants must register on-line, fill out the part dedicated to CSIC fellowships and complete the entire registration form, including hotel reservation.

A confirmation of acceptance of the application will be sent not later than 30 May 2006.

Deadline for application: May 24
