

ELGRA – European Low Gravity Research Association

★ ELGRA aims ...

- to represent and strengthen the scientific community of altered gravity research
- to involve young people in research on these topics by educational programs

GOALS

★ CONTACT US

★ ELGRA is ...

- a nonprofit international society of multidisciplinary character
- devoted to the promotion of European research in microgravity, simulated microgravity and hypergravity conditions
- a platform for all scientists interested in life and physical sciences in space

STATUTES

★ ELGRA acts...

- organizing scientific symposia biannually (ELGRA SYMPOSIUM) and courses.
- co-operating with institutions/agencies in the organization of scientific events
- spreading information about announcement of opportunities (AO), new platforms and space policy to the members.
- supporting students and young scientists at scientific meetings, and via grants and educational programs from ESA.

★ ELGRA meets... at the ELGRA Biannual Symposiums

★ Join ELGRA...

- Benefits for Regular members: individuals engaged in science under altered gravity conditions
- Reduced fee for Legacy members and Student members,
- Benefits for Corporate members: scientific institutions or companies, with interests in altered gravity research

★ ELGRA mentors...

- 10-year long collaboration organizing the ESA-ELGRA summer school
- Annual participation as experts in the ESA Academy programs

★ ELGRA trains...

- accepting student members with a reduced membership fee
- organizing a student contest and a student session in ELGRA meetings across Europe
- providing them financial support to attend meetings and courses and permanent funding for SELGRA section

★ ELGRA is managed ...

- by the **General Assembly** of the members, which meets every two years
- by a **Management Committee** (President, Vice-President, Secretary, Treasurer and four additional members), elected by the General Assembly, with equilibrated composition between Life and Physical Sciences and representing a fair geographical and gender balance distribution

★ ELGRA awardees...

- ELGRA PRIZES
- ELGRA MEDALLISTS
